

March 2001

Take the time to find out what's going on.

You are invited to attend an Availability Session sponsored by the U.S. Environmental Protection Agency (EPA). This session is an informal forum designed to respond to your questions about the National Mine Tailings Superfund site in Park Hills, Missouri. Other local and state officials will also be available to respond to your questions about this site. We will hold two (2) sessions, so that everyone has an opportunity to attend.
